## ALL OF YOUR PATIENTS' NEEDS IN ONE APP

### Signia App

Signia App gives your patients freedom and support with access to:

Telecare for remote care support with you! Patients fitted with Signia Telecare have a 19% higher acceptance rate than patients fitted without it.

Signia Assistant for on-demand AI support. 93% stated that using the Signia Assistant improved their satisfaction for listening in difficult situations.

Signia Face Mask Mode for an immediate boost in speech with the simple tap of a button. Facemasks have been shown to reduce audibility by up to 30%, and make lip reading impossible.

## ACCESSORIES

### Inductive Charger

Dehumidifies, fits custom molds, and is compatible with Pure Charge&Go X and Motion Charge&Go X.

### Styletto X Charger

Portable charger with Qi wireless charging.

### NEW Active Pro X Charger
