

# THE SIGNIA ASSISTANT LIVES IN THE SIGNIA APP

## Signia App

Tailored to your personal preferences, the Signia App allows you to get the most out of your hearing aids, including:

- **Audio Streaming** via Bluetooth®
- **Remote Support** via Signia Assistant
- **Remote Control**

**NOTE:** *The Signia App replaces the myControl, myHearing, and touchControl apps.*

The information in this document contains general descriptions of the technical options available, which do not always have to be present in individual cases and are subject to change without prior notice.

The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Sivantos is under license. Other trademarks and trade names are those of their respective owners.

Android and Google Play are trademarks of Google Inc. Apple App Store is a trademark of Apple Inc.

iOS is a trademark or registered trademark of Cisco in the U.S. and other countries and is used under license.

# SIGNIA ASSISTANT YOUR VERY OWN HEARING COMPANION

Compatible with Android and iOS. The app is free of charge.

signiausa.com/signia-assistant

Life sounds brilliant.

## PERSONAL SUPPORT AT YOUR FINGERTIPS

Meet the **NEW Signia Assistant**, your very own complimentary hearing companion to help you stay fully involved in life.

### The Signia Assistant gives you:

- **Highly intuitive support** at any time of day within the Signia App
- **Settings tailored to your personal preferences** for an even more natural sound and better speech understanding in every environment

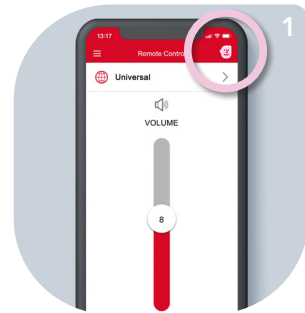

Using artificial intelligence, the Signia Assistant learns your preferences to give you the most personalized experience.

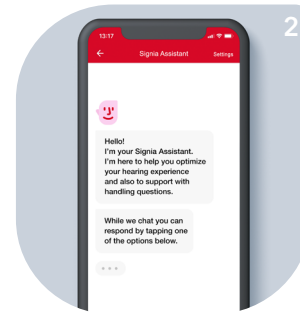

**All you need** to get started with the Signia Assistant:

- Your *Bluetooth*-enabled Signia Xperience hearing aids
- The Signia App on your smartphone

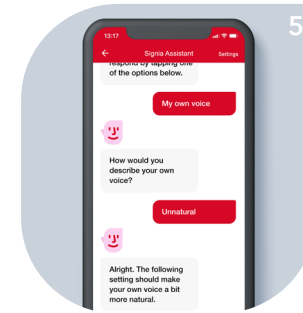

## HOW TO GET STARTED WITH THE SIGNIA ASSISTANT

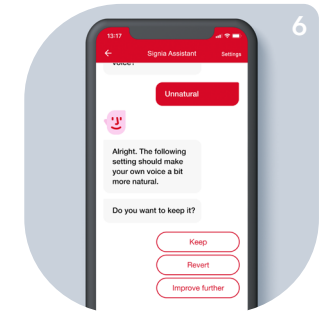

When opening the Signia App, the Signia Assistant's face appears at the top right of your screen

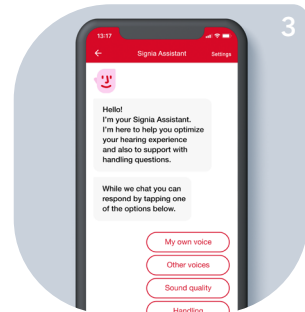

Simply click on it and the Signia Assistant will welcome you and ask how it can help

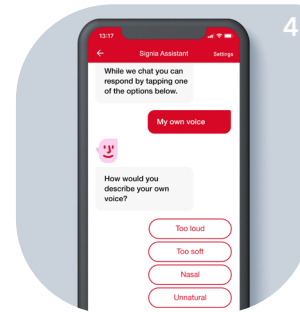

Based on your answers, the Signia Assistant suggests instant sound improvements for you

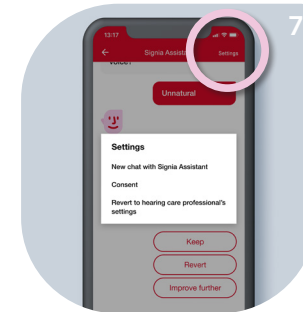

You can: keep the new settings, revert, or improve them further

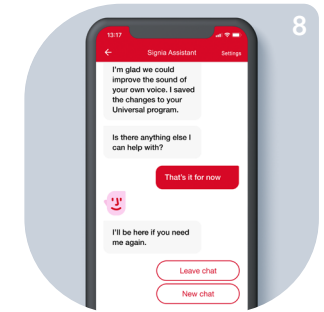

Choose from a list of options to address your need

Continue to answer the Signia Assistant's questions to ensure your concerns are addressed

Under "Settings" you can start a new chat, learn about our data policy, or revert from your current settings to the hearing care professional's settings

You can also start a new chat after you finish a dialogue with the Signia Assistant

The same steps apply when you have handling questions.

8 out of 10 people would recommend trying hearing aids with the Signia Assistant to a friend.\*

\* Data on file

93% of wearers say the Signia Assistant boosts their confidence to rely on their hearing aids and lets them feel more in control of their hearing success.\*
