In as little as 10 minutes a day, myHearing App helps you.

- Learn about your hearing aids so you become familiar with them more quickly.
- Provide feedback on your experience for better individualization.
- Communicate with your Hearing Care Professional in real-time via CareChat (text message, phone call or video call) and let him adjust your hearing aids remotely as you need it.

My Hearing Success: Get the best out of your hearing system.

- Rate your new hearing aids’ performance across a range of tasks to make sure they work for you.
- Let your Hearing Care Professional see your feedback to optimize the settings.
- Learn at your own pace via the myHearing App so you never miss something important about your new hearing aids.

My Hearing Aids: Address minor issues with ease.

- Make minor adjustments to essential functions such as volume and programs when needed.
- Find answers to the most common questions easily within the myHearing App: All answers are specific to your type of hearing aid.

My Hearing Care Professional: Get help immediately wherever you are.

- Got a question? Need advice? Simply contact your Hearing Care Professional and they will get back to you.
- Receive advice and troubleshooting help.

Enjoy highest satisfaction with your hearing solution.

The myHearing App is your tool to connect with your Hearing Care Professional, get to know and evaluate your hearing aids and get immediate assistance to adjust your hearing aid settings without paying a visit.

Visit myhearing.com for download information and videos on how to use the app.

The Signia myHearing App is compatible with most Apple and Android devices.
Life sounds brilliant.

myHearing App.

The audiologist in your pocket.
